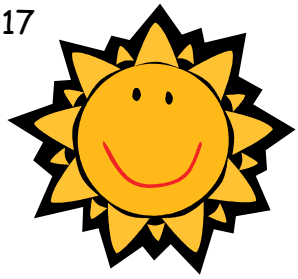
May, 2017



Dear Parents,

Our final newsletter! We would like to take this opportunity to express how much we have enjoyed these children this year. They have grown in so many ways and it has been our pleasure teaching them and getting to know them as they have learned, matured, interacted and developed friendships. They have given us many moments of fun and joy! These children will be missed by both of us.

Thank you to all those individuals who contributed items or their time in helping to make our school year a success. Your participation and support have been assets to our class.

Please remember our Ice Cream Social is Thrusday, May 4 from 6:00-7:00 PM in the parking lot near the playground. Also, ECNS will be participating in the Memorial Day parade on Monday, May 29. Families are encouraged to decorate a wagon and join in the fun. A swimming event is scheduled for June 1 with a raindate of June 2 will be held at Willowood Swim Club. You will be receiving more information about these events.

Here's what is in store for our remaining sessions:

- **May 1** - ***Practicing and Preparing to host our Spring Program! See you at 6:00 in our classroom.***
- **May 3 – Music Fun.** We will be playing instruments, listening to music and just enjoying music of all types.
- **May 5- *Up Down and All Around.*** The last of our Library PA One Books this year. We will be looking closely at the foods we eat and how they grow. We will also be using the Color Me Healthy curriculum. Can you eat a rainbow?
- **May 8 – Appreciation of Art.** We will be looking at various works of art by a variety of artists and experimenting with different forms of art.
- **May 10 – Bubble Fun!** Lots of bubble blowing!

- **May 12 – The Pond.** What creatures and plants can you find in and around the pond? We will be talking about animals that jump, swim, and crawl.
- **May 15** - Walk to the ***Fun Fort*** (weather permitting.) We ask that the children wear sneakers, no sandals or flip flops, since we will be walking to the park and running and climbing once we're there. We are looking for one parent to drive a car to transport our cool water. All parents and siblings are welcomed to walk along, just let us know! Please remember to apply sunscreen to your child before school.
- **May 17** - ***Our Favorites. PLEASE NOTE: This is our LAST DAY OF SCHOOL.*** The children will be involved in choosing activities they have especially enjoyed this school year.

Thanks again for helping to make our year a Super one!!

Sincerely,

Kathy and Ann

Summer Tip: Have a Fun Filled Summer and Read Together Daily!
