

March 2017

Dear Parents,

With the days getting longer and springtime just around the corner we leap into March with a renewed sense of excitement! We had some snow in February but hopefully that type of weather will be winding down. February was a terrific month as we learned about healthy habits, mail carriers, celebrated Valentine's Day and reviewed our colors and shapes. Thank you all for the wonderful Valentines we received! We also enjoyed some time bowling together at Clearview Lanes. It was a lot of fun to see so many families come out and enjoy being together.

March has lots of exciting events in store as well. We will welcome in the new month learning about the wind and weather, rhyming with nursery rhymes, and ending our month with our school wide twoweek unit on camping. Parent/teacher conferences will be held on March 8th upstairs in room 102.

We are excited to talk with you all about the wonderful progress your children have made.

Themes for March:

Week One (Mar. 7 & 9) Windy, Rainy, Muddy March - A new month begins! We will discuss rain, mud, and windy weather as we anticipate the beginning of a new season.

Week Two (Mar. 14 & 16) Nursery Rhymes - Our classroom will be filled with singing, chanting, and movement as we have fun with the important pre-reading skill of rhyming.

Week Four (Mar. 21 & 23 and March 28 & 30) Our school-wide Camping themed unit will be two weeks filled with fun crafts, learning activities and games, and creative snacks. As a team, the staff at ECNS have been working hard to build a unit filled with science, math, and reading that will be used to engage your child's mind through the adventures of camping in the great outdoors. Our unit will end with a Campfire Sing-along! On March 30th families are invited to come and join us as the entire school enjoys this time of singing together! More details will be coming home about our sing along so be sure to check your child's folder.

Thank You!

Susan Worman
